

## My Classmate

Nino is my classmate. He sits next to Kelly. He is tall and thin. He has straight black hair. He is short. His ears are small. His eyes are big and round. He is good-looking.

Nino is humorous because he always tells jokes and makes others laugh. He is cheerful too because he always smiles. Everyone likes him very much.

Nino's favourite subject is Maths. He is good at doing sums. Besides this, he is good at playing football. He plays football in his free time. He thinks his football training is interesting.

I am glad to have Nino as my friend. He teaches me to be cheerful.
